**AHCCCS INSURANCE REQUIREMENTS – Required ONLY if requesting to participate in the Plan’s Medicaid Line of Business**

The AHCCCS Minimum Subcontract Provisions include insurance requirements for Acute Care, RBHA, DCS/CMDP, CRS, ALTCS/EPD and DES/DDD Subcontractors. The AHCCCS insurance requirements include Commercial General Liability, Business Automobile Liability, Worker’s Compensation and Employers’ Liability and Professional Liability. The AHCCCS insurance requirements are outlined below:

For the purpose of this Attachment, the following definition applies:

“Subcontractor” means any third party with a contract with the Contractor (AHCCCS Plan) for the provision of any or all services or requirements specified under the Contractor’s contract with AHCCCS, or any entity which has a Provider Participation Agreement or Group Biller Agreement with AHCCCS.

Your commercial general liability policy and your business automobile policy (if applicable), need to include an endorsement (see letter a. below under Commercial General Liability and letter a. below under Business Automobile Liability) and a waiver of subrogation (see letter b. below under Commercial General Liability and letter b. below under Business Automobile Liability) in the Description field of your policy. Your worker’s compensation and employers’ liability policy requires only the waiver of subrogation language (see letter a. below under Worker’s Compensation and Employers’ Liability). For Subcontractors providing direct services to children and/or vulnerable adults (as defined by A.R.S. §46-451(A)(9)), the policy shall include coverage for Sexual Abuse and Molestation (SAM). This SAM coverage may be sub-limited to no less than \$500,000. The SAM limits may be included within the General Liability limit, provided by separate endorsement with its own limits. If you are unable to obtain SAM coverage under your General Liability because the insurance market will not support it, it should be included with the Professional Liability. SAM coverage must be noted with the following statement on the Certificate(s) of Insurance: “Sexual Abuse and Molestation coverage is included” or “Sexual Abuse and Molestation coverage is not excluded.”

A. **MINIMUM SCOPE AND LIMITS OF INSURANCE:** Subcontractor shall provide coverage with limits of liability not less than those stated below as applicable in accordance with the services provided by the Subcontractor.

- a. Policy shall be endorsed, as required by this written agreement, to include the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by the Subcontractor or on behalf of the Subcontractor or Contractor.
- b. Policy shall contain a waiver of subrogation endorsement, as required by this written agreement, in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by the Subcontractor or on behalf of the Subcontractor or Contractor.
- c. For Subcontractors providing direct services to children and/or vulnerable adults (as defined by A.R.S. §46-451(A)(9)), the policy shall include coverage for Sexual Abuse and Molestation (SAM). This SAM coverage may be sub-limited to no less than \$500,000. The limits may be included within the General Liability limit, provided by separate endorsement with its own limits. If you are unable to obtain SAM coverage under your General Liability because the insurance market will not support it, it should be included with the Professional Liability.
- d. The following statement must be included on the Certificate(s) of Insurance: “Sexual Abuse and Molestation coverage is included” or “Sexual Abuse and Molestation coverage is not excluded.”

2. **Business Automobile Liability**

Bodily Injury and Property Damage for any owned, hired, and/or non-owned vehicles used in the performance of the services under contract.

Combined Single Limit (CSL) \$1,000,000

- a. Policy shall be endorsed, as required by this written agreement, to include the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as additional insureds with respect to liability arising out of the activities performed by the Subcontractor or on behalf of the Subcontractor or Contractor involving automobiles owned, leased, hired and/or non-owned by the Subcontractor.
- b. Policy shall contain a waiver of subrogation endorsement, as required by this written agreement, in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by the Subcontractor or on behalf of the Subcontractor or Contractor.

**3. Worker's Compensation and Employers' Liability**

Workers' Compensation Statutory  
Employers' Liability

Disease – Each Employee	\$ 1,000,000
Disease – Policy Limit	\$ 1,000,000

- a. Policy shall contain a waiver of subrogation endorsement, as required by this written agreement, in favor of the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees for losses arising from work performed by the Subcontractor or on behalf of the Subcontractor or Contractor.

**4. Professional Liability (Errors and Omissions Liability)**

Each Claim	\$1,000,000
Annual Aggregate	\$3,000,000

- a. In the event that the professional liability insurance required by this Subcontract is written on a claims-made basis, Provider warrants that any retroactive date under the policy shall precede the effective date of the contract and the Subcontract; and that either continuous coverage will be maintained or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under the contract or the Subcontract is completed, whichever is later.
- b. The policy shall cover professional misconduct or wrongful acts for those positions defined in the Scope of Work of the contract or Subcontract.

**B. NOTICE OF CANCELLATION:** Applicable to all insurance policies required within the Insurance Requirements of this Contract or the Subcontract, Subcontractor's insurance shall not be permitted to expire, be suspended, be canceled, or be materially changed for any reason without thirty (30) days prior written notice the Prime Contractor.

**C. ACCEPTABILITY OF INSURERS:** Subcontractor's insurance shall be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers shall have an "A.M. Best" rating of not less than A- VII. The State of Arizona in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor or Subcontractor from potential insurer insolvency.

If the Subcontractor utilizes the Social Service Contractors Indemnity Pool ("SSCIP") or other approved insurance pool for insurance coverage, SSCIP or the other approved insurance pool is exempt from the A.M. Best's rating requirements listed in this section. If the Subcontractor chooses to use SSCIP or another approved insurance pool as its insurance provider, the Subcontract would be considered in full compliance with insurance requirements relating to the A.M. Best rating requirements.
